Modern finishes complete the interior of this 3 bedroom raised bungalow with walkout from the developed lower level. Newer laminate flooring runs through the living areas and hallway of the main level. The four piece bath offers semi en suite privilege to the master bedroom. The eat-in kitchen is finished with taste and the stainless appliances gleam. Watch TV or listen to the stereo in the living room. From the foyer, stairs take you to the developed lower level. The rec room offers entertainment area and the other large room is used as a gym or could be a games room. There is a 3 piece bath by the laundry room. A salon or office off the walkout to the deck provides private entry for visitors. The large deck overlooks the heated above ground pool in the deep, private back yard. A hot tub is ready for you on the deck. A shed also serves as a workshop. The home is heated by forced air gas and has central air conditioning.
